Poster for Come to Finland, exposed at the  
National Museum of Finland  
2017

A stylized illustration featuring a man in a red cap and dark suit, holding a large white sphere. The background is a golden-yellow field filled with a dense pattern of small white stars and faint, light-colored constellation lines. A large, dark silhouette of a man in a suit is positioned in the foreground, reaching out towards the man in the red cap. The overall composition is a blend of celestial imagery and human figures.

An illustration on a teal, textured background. A boy with orange hair, wearing a dark blue t-shirt and red pants, stands on the left, holding a black marker and circling the word 'pare' among a cloud of floating white letters. On the right, a girl with dark hair in a bun, wearing an orange shirt and dark pants, lies on her stomach, pushing a red toy train. Letters also float around her. The overall style is whimsical and artistic.
